

A short break at Center Parcs allows families to create their own experience, where they are free to do as much or as little as they like. In 2019, we're bringing our unique and unrivalled family short breaks to Longford Forest in The Midlands region of Ireland.

Set in hundreds of acres of beautiful forest, our new Center Parcs resort – Longford Forest - will welcome 250,000 guests each year, providing the very best facilities and activities. To transform our vision into a reality, we're looking for an incredible and unstoppable team of around 1,000 employees – and this is a unique opportunity to be involved from the start.

ABOUT THE ROLE

Our Cycle Centre is set to be a thriving hub and key area of activity, as well as being a very busy operation with its own retail shop that's designed to fulfil the needs of each and every guest...whatever their age.

With thousands of bikes spanning all types and sizes and a team consisting of an Assistant Manager, Mechanics and Cycle Centre Assistants to watch over, you'll certainly have your hands full as Cycle Centre Manager. Overall, your role will focus on providing a high quality and responsive hire and retail service, ensuring we maximise all sales opportunities and every aspect of the guest experience. In addition you'll have your sights firmly set on managing your team to achieve financial and departmental targets, as well as closely monitoring capacity and demand to ensure the service is meeting expectations.

Prior to the village opening you'll be involved in recruiting and training your team, ensuring all are appropriately skilled and ready to greet our first guests in preparation for the successful opening of Longford Forest in summer 2019.

ABOUT YOU

The size of the operation means we're looking for an already capable and proven operations manager, at Assistant level or above, with experience of motivating and developing large teams, as well as fantastic communication skills. You'll need to be able to work well under pressure, consistently meet targets and demonstrate a good understanding of budgeting and financial control.

Please note that the role will differ initially to when the resort is open and fully operational so flexibility, adaptability and a willingness to help out as required are key requirements.

HOURS OF WORK

You will be contracted to work 160 hours per 4 week period, on a flexible basis. During the pre-opening period it is anticipated that your hours of work will generally be Monday – Friday office hours.

Once the village is operational your working hours will include some weekends, public / bank holidays and during Christmas and/or New Year on a rota basis.

There will be the requirement to travel to the UK to undertake initial training on commencement of this role.

THE BENEFITS

Center Parcs is a fantastic place to work and the benefits are as impressive as they are unique. Here are just a few:

- Management bonus scheme
- Contributed pension scheme
- Free use of leisure facilities
- Discounted Center Parcs breaks
- 20% discount in restaurant and retail outlets

If this sounds like your ideal job, and you'd like to be in at the start of something great, then we'd love to see your application.

Closing date: 1 January 2019 at 12 Noon

1st interviews to be held: Week commencing 21 January 2019 in Longford Town Centre

Please apply via the following link: <https://goo.gl/DhTY6W>

Please note this vacancy may close at any time once sufficient applications have been received. Early submission of your application is therefore encouraged.
