Job Description

Macdonald Kinsale Hotel & Spa is set on 90 acres of mature wooded parkland with panoramic views overlooking Oysterhaven Bay. This luxury Kinsale hotel is committed to providing the highest standards and takes pride in its tranquil surroundings. We are currently seeking an experienced Health Club Supervisor.

The Health Club Supervisor will assist us in our continuous efforts to satisfy and exceed our guests and members needs and expectations.

Duties & responsibilities include the following:

- Provide training for staff and assist in managing the club's facilities
- Swim lessons and classes coordination
- Fitness programme development and delivery of exercise classes
- Build a strong relationship with club members and to monitor standards
- To assist with sales and promotional activities
- To ensure the level of hygiene is of the highest standard throughout the Club
- To implement the Club's standards and policies

Candidate Requirements:

- Recognised qualifications in
 - Fitness/Leisure
 - Lifeguarding
 - Swim Teaching

- Previous experience in delivering classes (swim & fitness) and fitness programmes is an advantage
- Have excellent communication, be enthusiastic and have a positive attitude
- Efficient use in excel and handling of database systems
- Pool Plant experience desirable

Other Responsibilities

- **Safety** – to promote a safe working environment and be aware of health and safety and fire procedures.
- **Security** – to actively support at all times company policy, and best practices in the area of security with emphasis on protection of customer sensitive information.
- **Adherence** to the hotel policies and procedures as set out in the employee hand book

The job holder will also:

This job description is designed to highlight the key areas of work. The duties & responsibilities listed above are not intended to be exhaustive but are set out to indicate the main areas of activity currently expected of the Health Club Supervisor. The Leisure Attendant will be expected to adopt a flexible approach to the needs of the service.

The ideal candidates should be enthusiastic and enjoy working in a team environment. Candidates should have the ability to work alone and use their initiative.
