

At K Leisure Naas we have an extensive swimming academy with over 110 children's lessons a week; available 7 days a week. All of our instructors are qualified and experienced swim teachers with some teachers delivering swim programmes for over thirty years. This wealth of experience has resulted in a swim programme which makes K Leisure's swim academy the best in Kildare.

A position has now become available within the Swim team in Naas.

MAIN RESPONSIBILITIES

- To help teach and coach people of all age and abilities to develop swimming skills, technique and confidence in the water.
- Work alongside the swimming co-ordinator, other swimming teachers/coaches, lifeguards,
- To positively contribute to the team
- To develop positive relationships with swimmers and parents/guardians; be a positive role model, creating a positive and fun environment in which to motivate and encourage pupils to participate.
- To develop and implement session plans in line with school policies and procedures, which ensure structured, high quality instruction; centered on the needs of the participants.
- To ensure all swimmers feel challenged during their weekly lesson and maintain positive feedback.
- To update and record the swimmers progress on a weekly basis. Communicate professionally with parents/guardians where necessary.
- To set up and put away any equipment needed for lessons. Make notes of any particular needs of an individual swimmer and liaise with the swimming co-ordinator as necessary.
- To undertake any additional duties as may be required by the swimming co-ordinator or sports facilities manager.
- To be committed to continuous professional development relevant to the post and post holders own training needs, but also as required by the school, either in or outside your normal working hours.

Applicants should hold a minimum of Swim Ireland Level 2 Swimming Teacher qualification or equivalent.

Attractive pay package for the suitable candidate
