

Skibbereen Sports and Fitness Centre Business Manager

Skibbereen Sports and Fitness Centre is looking for a dynamic, motivated individual to fill a new permanent, managerial position to help operate and grow the business. We provide a team of dedicated fitness professionals who are committed to making every visit an enjoyable experience for all our members.

The Company

Skibbereen Sports and Fitness Centre has evolved over the last 26 years from being a Community Sports Hall available for rental, to a valuable community business, that includes a dedicated fitness area and trained staff.

The facilities & services to the public, local clubs, groups & organisations are wide ranging, with the intent to deliver to the highest industry standards.

Primary responsibilities:

- The Business manager would be accountable to develop and gain approval for strategies, policies and plans to ensure the centre delivers on its agreed budget in terms of volume, utilization and value for money.
- Recruit, lead and develop staff in a professional, flexible and co-operative manner.
- Develop, implement and review appropriate systems to meet key objectives in terms of budgets, brand and customer satisfaction.
- To ensure development, upkeep and maintenance of all facilities including ground and indoor facilities.
- To develop plans to promote and market sports and recreational facilities for all groups in the within community.
- To ensure that the necessary financial recording and reporting systems are in place and reviewed to meet all statutory and operational requirements.
- To seek out and lead funding applications to all the necessary bodies that will support the development of the sports centre.

This is an exciting and challenging role and would appeal to a professional who has previous managerial experience and would be interested in making a difference to the local community. Leisure/sports management experience is not essential. The successful candidate would report directly to the Board of Directors.

Salary and hours will be negotiable on completion of a successful interview.
