### **Swan Leisure: Operations Manager**

At Swan Leisure we aim to exceed our client's expectations as well as foster a feeling of community spirit within our centre. We pride ourselves on valuing our staff and will always strive to assist you in your progression within the industry.

This is an excellent opportunity for an experienced hands on manager with a background in staff development and quality assurance implementation.

Two years management experience within a busy leisure centre is ideal with a fitness qualification in both swimming and gym would be beneficial.

### **Skills required for an Operations Manager Role are:**

- A proven track record and an ability to demonstrate experience with managing staff
- Experience in setting targets and evaluating results
- Strong communication and interpersonal skills
- Effective leadership and motivation skills
- Self-motivated
- Related academic qualifications.
- Passion for Health & Fitness as well as interpersonal communication
- Experience in Sport, Health and Fitness industry
- Strong IT skills an advantage,
- Have a flexible and creative approach to work.

Salary: DOE.

Application Process: Candidates should submit a detailed cover letter together with a CV to include the names and contact details of 2 referees (email addresses if possible) to Clodagh Kilmurray – [Clodagh@swanleisure.ie](mailto:Clodagh@swanleisure.ie)
