

A short break at Center Parcs allows families to create their own experience, where they are free to do as much or as little as they like. In 2019, we're bringing our unique and unrivalled family short breaks to Longford Forest in The Midlands region of Ireland.

Set in hundreds of acres of beautiful forest, our new Center Parcs resort – Longford Forest - will welcome 250,000 guests each year, providing the very best facilities and activities. To transform our vision into a reality, we're looking for an incredible and unstoppable team of around 1,000 employees – and this is a unique opportunity to be involved from the start.

### **ABOUT THE ROLE**

Our Cycle Centre is set to be a thriving hub and key area of activity, as well as being a very busy operation with its own retail shop that's designed to fulfil the needs of each and every guest...whatever their age.

As a Cycle Centre Mechanic you will work in conjunction with the Cycle Centre management team to ensure the smooth running of the department, providing and maintaining a high standard of service to guests in line with departmental operating procedures.

You will be required to repair and maintain the cycles and equipment which is used for hire to the guests and also the equipment from the cycle centre which is used by staff which ranges from junior cycles to trailers.

You will be accountable for checking the cycle attendant pre-hire safety checks, this includes auditing the pre-hire safety checking system to ensure it is to the required standard.

In addition you will be responsible for completing the opening and closing checklist and carrying out standard checks to ensure the department is kept at a high standard at all times.

### **ABOUT YOU**

#### **Essential requirements:**

- Good organisation and time-keeping
- The ability to keep accurate records
- Excellent team-working skills
- Ability to cope in pressurised situations due to the busy nature of the cycle centre business
- Cytech Level 2 qualification or equivalent

#### **Desirable requirements:**

- Experience working with cycles, either for pleasure or in employment
- Computer Literacy

Please note that the role may differ initially to when the resort is open and fully operational so flexibility, adaptability and a willingness to help out as required are key requirements.

## **HOURS OF WORK**

You will be contracted to work 136 hours per 4 week period, on a flexible basis. During the pre-opening period it is anticipated that your hours of work will generally be Monday – Friday office hours.

Once the village is operational your working hours will include some weekends, public / bank holidays and during Christmas and/or New Year on a rota basis with a premium rate of pay for hours worked on a Sunday.

## **THE BENEFITS**

Center Parcs is a fantastic place to work and the benefits are as impressive as they are unique. Here are just a few:

- Staff bonus scheme
- Contributed pension scheme
- Free use of leisure facilities
- Discounted Center Parcs breaks
- 20% discount in restaurant and retail outlets

If this sounds like your ideal job, and you'd like to be in at the start of something great, then we'd love to see your application.

**Closing date:** 26 March 2019 at 12 Noon

**1<sup>st</sup> interviews to be held:** Week commencing 1 April 2019

Please apply via the following link: <https://goo.gl/cGW6py>

**Please note this vacancy may close at any time once sufficient applications have been received. Early submission of your application is therefore encouraged.**
