

A short break at Center Parcs allows families to create their own experience, where they are free to do as much or as little as they like. In 2019, we're bringing our unique and unrivalled family short breaks to Longford Forest in The Midlands region of Ireland.

Set in hundreds of acres of beautiful forest, our new Center Parcs resort – Longford Forest - will welcome 250,000 guests each year, providing the very best facilities and activities. To transform our vision into a reality, we're looking for an incredible and unstoppable team of around 1,000 employees – and this is a unique opportunity to be involved from the start.

ABOUT THE ROLE

As a focal point for every Center Parcs village, our Subtropical Swimming Paradise (STSP) is a real favourite with all our guests and that theme is set to continue here at Longford – in fact, once built, ours will be one of a kind and the largest pool in Ireland.

It will have something for everyone – from whirlpools to cold water plunge pools – and as one of our Subtropical Swimming Paradise Assistant Managers, your role will focus on helping ensure all guests receive a warm welcome, enjoy great times and create unforgettable moments in a safe and superb setting.

In this role you will support the Pool management team by ensuring the smooth running of all pool facilities. You will help to drive and deliver excellent guest service and assist the Swimming Pool Manager in achieving all financial targets.

Previous supervisory experience is required as you will be responsible for the coaching and continuous development of all members of the team. Other supervisory experience will include the timely completion of performance appraisals and ensuring that all legal training is completed as per company standards.

You will have a professional and friendly manner and will be committed to providing the highest level of guest care.

The role may differ initially to when the resort is open and fully operational so flexibility, adaptability and a willingness to help out as required are key requirements.

ABOUT YOU

Candidates must successfully pass a swim test in order to progress to interview stage.

Essential requirements:

- Supervisory experience
- IWS/National Pool Lifeguard Qualification
- Experience within a Pool or Leisure environment
- You must possess excellent interpersonal, observational and communication skills
- Able to work in accordance with policies and procedures and display excellent time management skills

Desirable requirements:

- First Aid Certificate
- ISRM Pool Plant Course
- RLSS Trainer Assessor

Due to the sensitive nature of this role the successful applicant will be required to apply for Garda Vetting. This disclosure, together with other selection information, will need to be satisfactory to the Company for employment to commence.

HOURS OF WORK

You will be contracted to work 150 hours per 4 week period on a flexible basis. This means that your hours and days of work could vary each week, but you will always receive at least your contracted hours each period.

Once the village is operational your working hours will include weekends, public / bank holidays and during Christmas and/or New Year on a rota basis.

THE BENEFITS

Center Parcs is a fantastic place to work and the benefits are as impressive as they are unique. Here are just a few:

- Staff bonus scheme
- Contributed pension scheme
- Free use of leisure facilities
- Discounted Center Parcs breaks
- 20% discount in restaurant and retail outlets

If this sounds like your ideal job, and you'd like to be in at the start of something great, then we'd love to see your application.
